

## 2022–23 Child Support and Alimony Verification Worksheet

Your 2022–23 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. Federal regulation requires confirmation of the information you reported on your FAFSA. To verify that you provided correct information, we will compare your FAFSA with the information on this worksheet and with any other required documents. If there are differences, your FAFSA information may need to be corrected, which may result in a change to your aid eligibility. You must complete and sign this worksheet, attach required documents, and fax, upload, or mail them to the Office of Undergraduate Financial Aid. You may be asked to provide additional information. If you have questions about verification, contact our office so your financial aid will not be delayed.
